Summary of Lobby Contracts

These contracts will provide lobbying and other professional services in the City's interests for the 79th Interim Legislative Session and subsequent special called sessions and the City's Federal Legislative Program. The contractors will provide advice to the City, will assist the City's efforts before the legislative session, and be responsible for selected related activities requiring additional action such as communicating with state and federal agencies. The contractors will be in a position to advance the interests of the City in legislation and to influence the legislative process. The contract will contain an extension option for an additional year to allow continued representation during the 80th Regular Legislative Session. The total contract amount is not to exceed \$942,000.00, with one extension option in an amount not to exceed \$942,000, for a total contract amount not to exceed \$1,884,000.
